## From the Headteacher's Office...

Dear parents and carers,

We cannot believe it is December already! It has certainly been a busy week in school – particularly for our Spotted Kestrels and Golden Kestrels in Year 3, who enjoyed a fantastic trip to Stibbington for a Victorian Day on Wednesday. Not only did they get to experience a day in a Victorian classroom, but they got to write with ink pens (some still had ink on their hand the following day...) and enjoy playing with Victorian toys in the playground. Year 4 had such a great time on this trip last week and it was lovely to see how excited Year 3 were about their experience.

Trips and visits are one of the things we were unable to do last year due to Covid. Sadly, things are not yet back to normal and you will be aware that this week the Government has reintroduced the wearing of face masks in shops and enclosed spaces. Peterborough is also an 'Enhanced Resource Area' as rates of Covid-19 remain very high in this area. As a result, our reception area is currently for staff only. If you need to speak to the office, please do not enter the school building but use the window to talk to staff. If you need to speak to the class teacher at drop off or collection time, please wear a face mask. All visitors to the school must wear a face mask.

Thank you for your ongoing understanding and support in keeping our school community safe.

Mrs Bowyer (Head of School) and Mr Fry (Executive Headteacher)

We are sure we can count on the support of all our parents and carers to ensure children are in school, on time, every day. Please see the letter about attendance for more information and please contact the school office if you have any questions.

## Advanced Cognitive Performance Characteristics

### Linking

#### Linking

Linking is about making connections between ideas and concepts and being able to see things abstractly and take on views of others.

- **Generalisation** – to be able to link current learning to other situations.
- **Connecting findings** – to be able to link previous learning to current.
- **Big picture thinking** – to be able to work with big ideas and holistic concepts.
- **Abstraction** – to be able to move from concrete to abstract very quickly.
- **Imagination** – to be able to make connections to other prior learning.
- **Seeing alternative perspectives** – to be able to take on the views of others.

Our KS2 literary character for this characteristic is J.R.R. Tolkien's Gandalf the wizard. During The Hobbit and Lord of the Rings Gandalf is the link between the races. He sees the bigger picture and understands the perspectives of others and uses his imagination to find solutions that no one else could see.
