1. RATIONALE

At Ravensthorpe, we believe that well-planned homework supports children's learning and development by:

- Reinforcing key skills taught in class, especially in reading, writing, and maths
- Encouraging independent learning and responsibility for tasks
- Helping parents and carers engage with their child's education
- Building good habits in preparation for secondary school

2. IMPLEMENTATION

- Homework will be purposeful, manageable, and matched to the child's age and ability.
- School staff will use SeeSaw as the platform to set activities
- The tables below set out the homework expectations

3. ENGAGEMENT

- Pupils are required to engage with homework activities
- Parents will support their child to engage with homework activities
