Dear parents, carers and children,

This week's newsletter has a focus on keeping safe, a key part of our RPS Way. You may have noticed the works taking place at the front of school this week – we have been installing a new secure entry system. Thank you for bearing with us while this installed. To speak to the school office, all visitors, including parents and carers will now need to use the intercom system by the front entrance. Once the office have responded, don't forget to stand back as the doors still open outwards!

Sadly, we have received some concerning reports this week regarding the use of E-Scooters on the way to and from school. The use of e-scooters is currently illegal and they should not be used on paths or roads. This means that they cannot be used on the school site. We would encourage parents who choose to use an e-scooter to consider the current law and most importantly the safety of both children and adults using the paths and roads around school.

Cycling and scooting on non-powered scooters are great ways to travel to school. With the completion of the works to the front of school, our secure bike storage area will be back to being fully open. Don't forget that if your child is cycling or scooting to school they should wear a cycle helmet.

Best wishes and stay safe, Mrs Bowyer

Explore Cafes

This term, our Celebration cafes are being replaced with our Explore Cafes. This is your chance to join your child and explore part of our foundation curriculum. You might be joining them to carry out a science experiment, to create a piece of artwork or to design a product in design & technology.

Come and join us for tea/coffee and a cake and learn more about what your child is learning in school this term. All resources will be provided and no previous experience is needed!

Who can parents and carers talk to ?

A reminder from last week that there are lots of people in school that children can talk to if they are worried or concerned..

Staff are always available at the start and end of the school day. If you have a concern about your child, the first point of call should be the class teacher. Appointments can be made through the school office. You can also speak to Mrs Ryder and Mrs Mac about any concerns you have regarding your child.

This week, our being safe stars are those children who don't only act safely themselves, but help others to do the same.

Class of the Week

This week's classes of the week are our Sparrowhawks and Goshawks – well done for working so hard and with such resilience this week!

So, we are still just inside the top 10 and still one play above Nova. However, Longthorpe are now 3rd.

Come on Ravensthorpe! We need to work together to move up that leaderboard next week!
