01 Mrs Bowyer's Blog

Dear parents, carers and children,

Happy Half Term! I'm writing this at the end of a lovely sunny week and I hope that the weather continues to be lovely for the half term break.

A huge thank you today to our Year 2 team, children and parents and carers for the fabulous Explore Café this morning. Today's focus was on science and families were able to work together, in the West Raven Community Garden to study habitats.

Today, sadly we are saying goodbye to two members of staff – Mrs Figuera, our school cook, is leaving after working here for many years and Mrs Hay, who joined us more recently to work with some of our children with special needs is also leaving. A huge to thank you to both of them for all that they have done for the school and we wish you both good luck for the future.

We are welcoming two new members of staff to our Ravensthorpe Team as we start the second half of the summer term. Mrs Thomson joined us this week as a teaching assistant in Key Stage 1 and Mrs Bryan will be joining us as Assistant Headteacher from June, with responsibility for inclusion, pastoral support and families. We look forward to introducing them to you over the coming weeks.

Have a wonderful half term and we look forward to seeing everyone back on Monday 5th June.

Best wishes,

Mrs Bowyer

Explore Cafes

This term, our Celebration cafes are being replaced with our Explore Cafes. This is your chance to join your child and explore part of our foundation curriculum. You might be joining them to carry out a science experiment, to create a piece of artwork or to design a product in design & technology.

Come and join us for tea/coffee and a cake and learn more about what your child is learning in school this term. All resources will be provided and no previous experience is needed!

This week, we are celebrating our RPS Way Half Term Stars. These are the children who have been brilliant at following the RPS Way at all times.

This week's classes of the week are our Year 3 Spotted Kestrels and Golden Kestrels, who have really gone that extra mile to demonstrate the RPS Way in everything that they do, but particularly in their presentation and handwriting.

Congratulations this week to Peregrine Falcons and Eastern Ospreys – what amazing scores!

So, we are still just inside the top 10 and still one place above Nova. However, Longthorpe are now 3rd. Come on Ravensthorpe! We need to work together to move up that leaderboard next week!

Our STEM day in Nova Primary Academy

On Wednesday, a group of year 4 children collaborated with other PKAT primary schools to build electric powered cars. This was a fantastic opportunity for the children to develop their engineering and coding skills.

At the end of the day, we were lucky enough to race our electric cars and we came second!
