Dear parents, carers and children,

Welcome back! I hope you had a good half-term break.

This week started with our Year 6 children enjoying a fabulous activity day at Tallington Lakes – they enjoyed tobogganning, kayaking and xxxx. In one day! Thank you to all the staff involved and to the children, who did us proud by showing the RPS way throughout the day. Well done!

By the time this newsletter is sent out, we will also have enjoyed our Year 5 Explore Café. Today's Café took us to Ancient Greece with an exploration of mythical creatures. We really do appreciate your ongoing support for our cafes, they are a wonderful opportunity for you to learn more about what is happening in school.

This week has also seen the launch of the PKAT Parent Survey – please check you emails for the link. We would love to know your thoughts on our school and look forward to reading your response.

Best wishes,

Mrs Bowyer

Explore Cafes

This term, our Celebration cafes are being replaced with our Explore Cafes. This is your chance to join your child and explore part of our foundation curriculum. You might be joining them to carry out a science experiment, to create a piece of artwork or to design a product in design & technology.

Come and join us for tea/coffee and a cake and learn more about what your child is learning in school this term. All resources will be provided and no previous experience is needed!

03 Introducing Miss Bryan, our new Assistant Head

PETERBOROUGH KEYS
ACADEMIES TRUST

As a child, what was your dream job?

I always wanted to be a teacher from a young age. I loved my primary school and I always wanted to be like the wonderful teachers I had.

If you weren't a teacher, what would you be?

I think I would like to do something with animals. I think I would want to work in a zoo with elephants or giraffes.

What is your dream holiday destination?

Oh, this is a tricky one! I think it would be to go to Disney World with my two little boys. I went once when I was a child and loved it so much

Have you worked in any local schools?

I have been working in a primary school in Orton for the last seven years but before that, I worked in schools in the North West of England.

Y2 are going to the beach. What is your favourite thing to do at the beach?

I like eating ice cream and collecting shells!

What made you want to come to Ravensthorpe Primary School?

When I visited Ravensthorpe, I could not believe my eyes! I am so passionate about outdoor learning and I love all your outdoor space, but my favourite thing was all the lovely smiley children and staff!

What will you do in your new job?

I am here to support Mrs Bowyer and Mrs Burgess to support all children and families to be in school and to be happy and successful.

This week, we are back to celebrating those children who are always respectful. They are polite and kind to everyone they meet, both in and out of school. They look after their belongings and school property and are always ready to learn.

Class of the Week

This week's classes of the week are our Year 6 Sea Eagles and Martial Eagles for showing great respect for each other, the instructors and members of the public during their visit to Tallington – you did us proud!

So, we are still just inside the top 10 and still one place above Nova. However, Longthorpe are now 3rd. Come on Ravensthorpe! We need to work together to move up that leaderboard next week!
