

Writing with a pen

The RPS way

In order to write with a pen, you must be able to show these skills in your writing.

Be prepared

Your teacher will tick off the success criteria once you have achieved it.

Once you have your pen, you need to continue to use this success criteria when writing.

<u>Success Criteria</u>	<u>Achieved (ticked by teacher)</u>					
Writing is legible and neat						
All ascenders and descenders are clear						
All letters are correctly sized						
Letters are formed correctly						
Letters are joined in the correct way						
Letters are sitting on the lines						
There is appropriate spacing between words						
Only a few mistakes are made and these are crossed out neatly with one line						
You have taken pride in your handwriting and tried your best!
