Tik Tok

This week, it came to our attention that a TikTok page has been set up under the name of Ravensthorpe Primary School with our logo being used in a few videos. This page has nothing to do with school. We use Facebook and X (Twitter) to communicate with parents, but school does NOT have an official TikTok page. The minimum age for a TikTok user is 13 years old. It's important to note that TikTok doesn't use any age verification tools when new users sign up. That means, if your child signs up for a new account without your knowledge, they could have access to explicit and inappropriate content without restriction. Please see the attached leaflet for more support and advice for parents.
