## Message from Mrs Bowyer and Mr Fry

Dear parents and carers,

It has been a very busy week here in school. Year 5 and 6 have enjoyed their evacuation experience at Stibbington, while our Young Ambassadors have attended a conference at Jack Hunt discussing sports opportunities in the city.

Today we were visited by members of the Peterborough Rotary Club, who presented us with a trophy as winners of the Rotary Young Environmentalist 2020-21 Junior National Competition. They also presented us with 1000 crocus bulbs, as part of their ending Polio campaign and also donated seeds, soil and gardening tools to our Forest School

Please don't forget that we finish this half term next Thursday .

Best wishes,

Mrs Bowyer and Mr Fry

# Evacuee Day at Stibbington

We arrived at Wansford Station.

The billeting officers inspected us to see if we were clean enough to go into the village.

We had to walk across the fields to Stibbington.

We saw where children would fish in the River Nene.

# Evacuee Day at Stibbington

In the classroom we learnt how to wear a gas mask.

The air raid siren sounded and we had to go into the shelter until the all clear.

PE lessons were marching and drill exercises.

We had to do our writing with a pen dipped into ink.

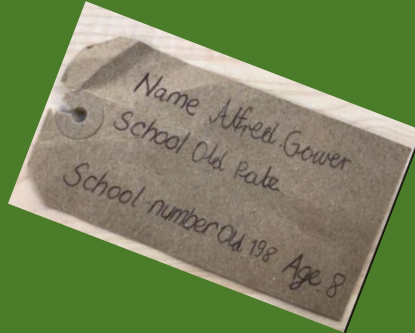

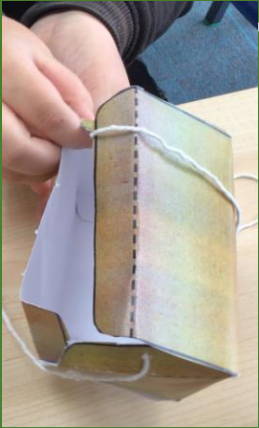

At playtime we could play with the 1940s toys.

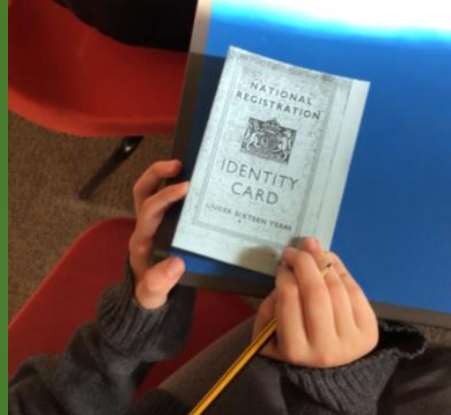

We used the posters to find information to answer quiz questions.

# Evacuee Day at Stibbington

In preparation for the trip, we were set the challenge of creating our own gas mask boxes. Through collaborative work we achieved our aim!

We experienced the cramped conditions inside an Anderson shelter.

**Year 6 had an amazing time using their imaginations to engage in role play & developed empathy towards children who were evacuated during WW2.**

We used our intellectual confidence to share opinions within our groups – we successfully deduced relationships between family members.

Our linking skills enabled us to discover information, we used photos & historical records.

There is a vacancy  
on our Local  
Governing Body for  
a Parent Governor.  
Would you like to  
vounteer your time  
and energy to  
make a positive  
difference for all  
children at  
Ravensthorpe?

Why should I  
become a  
Parent Governor?

Governors have an important part to play in helping schools to run effectively. They work as part of a team with the Headteacher and school staff to help provide a happy, safe and thriving learning environment and an excellent education for all children. As a Parent Governor, you will be well placed to understand parents' views and have first-hand knowledge of how the school is run. You will have the opportunity to work toward improving the school experience for all children at Ravensthorpe and help them 'explore, succeed and soar'.

What does a Parent  
Governor do?

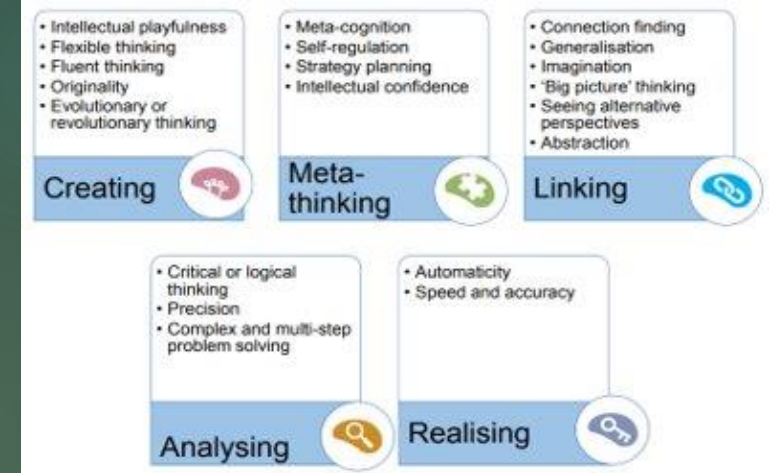

You will join a team of Governors and school leaders at Governor meetings (currently on Microsoft Teams – no more than 5 meetings per year) and you will be invited to visit school to talk to staff and children about school priorities. As a Governor, you can also bring your own skills to the team and support with finance, HR, premises and community work. If you become a Governor, there is induction training with more training available throughout the year.

Inspired by the old-fashioned wooden games we played with in Stibbington, Kacper taught the Sea Eagles how to make an origami ball and cup game. We all loved making this game and playing with it afterwards!

Well done – we are very proud of you!

If your child achieves a 'Personal Best' out of school, please email in to [office@rps.pkat.co.uk](mailto:office@rps.pkat.co.uk) so we can share their wonderful achievements.
